Several Harbor Area residents are currently serving on the Community Chest Budget Committee that is reviewing fiscal needs of 171 Chest supported health, welfare and youth services, according to Lawrence T. Cooper, Pacific Telephone and Telegraph Co. executive and chairman of the budget committee.

As members of the volunteer budget committee these men and women have joined a team of 240 Los Angeles Area community leaders that will help allocate funds raised last fall.

DURING THE sessions held prior to recommendations for final agency allocations, these

volunteers study every aspect of agency expenditures.

According to Cooper, the budgeting process is the only way that the Community Chest can keep its pledge to the contributor to see that funds go where they are most needed and are spent efficiently.

CHANGES ANNOUNCED . . . Von Moffett (right), who assumed sole ownership of DeVon Motors, 1600 Cabrillo Ave., this week, chats with James Panos after naming him general manager of the firm. DeVon Motors is one of the Southland's leading Plymouth, Valiant and Triumph dealerships. (Herald Photo)

Von Moffett Takes Over DeVon Motors, Panos General Manager

Von Moffett earlier this week assumed sole ownership of DeVon Motors, and announced the appointment of James Panos as general manager of the Plymouth, Valiant, Triumph dealership at 1600 Cabrillo Ave. in downtown Torrance.

Moffett, president of the DeVon Motors, has been in the automobile business for 25 years, and has built up the largest Plymouth, Valiant and Triumph dealership in the South Bay.

The genial businessman is a top golfer and has twice won the Motor Car Dealers of Southern California invitational tournament at Palm Springs.

PANOS, THE NEW general manager, last year brought the \$1500 Chrysler Agency award to DeVon Motors. He has had 10 years in the automotive field, and has been with DeVon for three years. Public response and the high sales volume at DeVon Motors is due to service and an adequate supply of cars at all times, Panos says.

He pointed out that the DeVon seven-day money-back guarantee is not a trial exchange, but a guarantee that if customers are not satisfied with their deal, they may have their money and trade-in back.

"This indicates the confidence DeVon Motors has in their cars and their deals," he said.

OTHER PERSONNEL assignments which will continue at DeVons include Joseph Trombino, manager of the used car department, and John Masters, manager of the shop and service departments.

Trombino is a graduate of the Chrysler management school and Masters is factory trained to supervise service and repair of all Chrysler products.
